

Course List

As of September 2009

Security & Construction Industry Programs Available Now - \$29.00/each:

1. **Pre-employment Screening and Background Checking** – by Barry Nixon, Executive Director of the National Institute for the Prevention of Workplace Violence, Inc.
2. **7 Steps to Workplace Violence Crisis Response Plan** - by Barry Nixon
3. **Zero Tolerance is Not Enough** – by Barry Nixon
4. **C is for Codes: The Importance of Using Door Hardware Appropriately in Life Safety** – by Carl Dean, Ingersoll-Rand Security & Safety America
5. **Codes and Hardware: Access, Egress and the AHJ** – by Shelley Hudson, CCPR - Ingersoll-Rand Security & Safety Consultants of New England
6. **Business to Business Security Model** – by James Callahan, Security Director
7. **Severe Storm Testing and Compliance** – by Steve Puleo, Ingersoll-Rand Security & Safety America
8. **Smart Card Technology** – by Bill Richardson, HID
9. **Introduction to Electronic Access Control** – by Paul Chandler, SecuraKey
10. **Introduction to Basic Fire Alarm Technology** – by Jeff Behuniak, Honeywell Fire Systems
11. **Door Hardware and Life Safety Issues** – by Mark Berger, Securitech

NICET VSS Level 1 Certification Preparatory Training *(CCTV training in partnership with Charlie Pierce)*

- \$30 per 60 – 90 minute course.
- \$350 CEU Package (14 online course series – 20 CEU hours)
- \$495 for NICET VSS Level 1 Certification Preparatory Training Series (14 online course series and Companion Workbook)
- \$145 Companion Workbook only

Course Titles:

1. Video Design Theory
2. CCTV System Overview
3. Cameras
4. Lighting
5. Lenses
6. Transmission
7. Monitors
8. Pan/Tilts & Domes
9. Switchers and Quads

10. Multiplexers/Matrix
11. Digital Management Systems
12. Recorders
13. Site Assessment
14. Legal

Physical Security Network Associate - PSNA *(IP Networking for Security)*

- \$99 per 1½ - 2 hour course.
- \$300 CEU Package (5 online course series – 12 CEU hours)
- \$99 Certification Exam
- \$99 Companion Workbook only
- \$99 Proctored Exam (required for certification)

Course Titles:

1. Introduction to PSNA – no cost, preview course
2. Basic Networking
3. Video on IP
4. Operating Systems
5. Integration
6. Project Management

Physical Security Network Field Technician - PSNFT *(similar to PSNA but on smaller scale)*

- \$99 per 1½ - 2 hour course.
- \$200 CEU Package (3 online course series – 6 CEU hours)
- \$99 Certification Exam
- \$79 Companion Workbook only
- \$99 Proctored Exam (required for certification)

Course Titles:

1. Basic Networking
2. Video on IP
3. Integration

Structured Wiring and Termination Technician Certification +

- \$200 for SWATT Certification Training Series
- \$200 for SWATT+ Training Box
- \$49 Companion Workbook only

Module Titles:

- Introduction to Structured Wiring
- Structured Wiring Components and Tools
- Structured Wiring Installations
- Structured Wiring Terminations
- Structured Wiring Testing and Documentation

Course List

As of September 2009

NICET Fire Level 1 *Certification Preparatory Training*

- \$30 per 45-60 minute element
- \$300 for NICET Fire 1 Certification Preparatory Training Series
- \$120 Companion Workbook only

Course Titles:

Level 1:

1. Basic Fire Alarm Systems
2. NFPA Standards
3. Basic Wiring
4. Devices and Components
5. Periodic Tests
6. Basic Electricity
7. Basic Working Drawings
8. Basic Mathematics
9. Installation Practices
10. Basic Communication Skills
11. Basic Metric Units and Conversions
12. Plans, Specifications and Contracts
13. Basic Physical Science
14. Fire Warning Equipment for Dwelling Units
15. Basic Individual Safety
16. First Aid Procedures

NICET Fire Level 2 - Coming in December, 2009!!

Level 2:

1. Fire Protection Plans and Symbols
2. Basics of System Layout
3. Electrical Installation Standards
4. Basic Fire Alarm Systems
5. Supervision and Supervisory Service
6. Detection Methods
7. Detector Spacing
8. Power Supplies
9. System Acceptance and Periodic Tests
10. Construction Plans
11. Specifications and Cost Estimates
12. Contracts
13. Building Codes
14. Insurance Authorities and Their Requirements
15. Governmental Agencies
16. Protective Premises Fire Alarm Systems
17. Auxiliary Fire Alarm Systems
18. Remote Station Protective Signaling Systems
19. Proprietary Supervising Station Systems
20. Central Station Fire Alarm Systems

21. Manual Fire Alarm Systems and Guard's Tour Service
22. Heat Sensing Fire Detectors
23. Smoke Sensing Fire Detectors
24. Flame Sensing Fire Detectors
25. Sprinkler Waterflow and Supervisory Devices
26. Alarm Notification Appliances
27. Basics of Signal Transmission
28. Business Communications
29. Intermediate Mathematics
30. Emergency Voice/Alarm Communications Systems
31. Signal Processing
32. Surveys for Fire Alarm and Detection Systems
33. Fire Alarm System Maintenance
34. Fire Alarm System Wiring
35. Emergency Evacuation Signals
36. Combination Systems

Security Training (Fire & Safety)

1. Electrical Safety **\$20**
2. Fire Protection **\$20**
3. Fire Safety **\$13**
4. Means of Egress & Fire Protection **\$20**
5. Hazard Communication **\$20**
6. Safety and Health Programs **\$20**
7. Workplace Violence **\$20**
8. Professional Response to Trauma **\$20**
9. Building Security **\$20**
10. Personal Response to Trauma **\$20**
11. NFPA 70E - Standard for Electrical Safety in the Workplace **\$49**
12. Industrial Emergency Response: Hazardous Materials First Responder Operations – Level I **\$150**
13. Industrial Emergency Response: Hazardous Materials First Responder Operations – Level II **\$150**

OSHA Outreach Training

1. OSHA – 10 Hour Construction Industry Outreach Training **\$139**
2. OSHA – 30 Hour Construction Industry Outreach Training **\$295**
3. OSHA – 10 Hour General Industry Outreach Training **\$139**
4. OSHA – 30 Hour General Industry Outreach Training **\$295**
5. OSHA – 10 Hour Construction Industry Outreach Training – Spanish **\$139**
6. OSHA 10 Hour & 30 Hour Construction Outreach Courses **\$395**
7. OSHA 10 Hour & 30 Hour General Industry Outreach Courses **\$395**

Course List

As of September 2009

OSHA – Construction Spanish Versions

\$20 per 60 – 90 minute course.

1. Concrete and Masonry
2. Cranes and Rigging
3. Electrical Safety
4. Excavations
5. Fall Protection
6. Fire Protection
7. General Safety & Health Provisions
8. Hand and Power Tools
9. Introduction to OSHA and OSHA Act
10. Scaffolding
11. Stairways & Ladders

OSHA – Construction English Versions

\$20 per 60 – 90 minute course.

1. Concrete and Masonry
2. Confined Spaces
3. Cranes and Rigging
4. Cranes, Derricks & Hoists
5. Demolition
6. Electrical Safety
7. Excavations
8. Fall Protection
9. Fire Protection
10. General Safety & Health Provisions
11. Hand and Power Tools
12. Introduction to OSHA and OSHA Act
13. Materials Handling
14. Motor Vehicles
15. Occupational Health & Environmental Controls
16. OSHA 1926 STD 3-1.1
17. Personal Protective Equipment
18. Process Safety Management
19. Recordkeeping
20. Scaffolding
21. Stairways & Ladders
22. Steel Erection
23. Welding & Cutting

OSHA – Hazardous Waste Training

1. Hazwoper 8 Hour Annual Refresher
\$95
2. Hazwoper 24 Hour Course
\$250
3. Hazwoper 40 Hour Course
\$475
4. Industrial Emergency Response: Hazardous Materials First Responder Operations – Level I
\$150
5. Industrial Emergency Response: Hazardous Materials First Responder Operations – Level II
\$150
6. Stormwater Management During Construction
\$95
7. DOT HazMat General Awareness Training **\$25**

Canada Safety Versions

\$20 per 60 – 90 minute course.

1. General Health & Safety
2. Concrete and Masonry
3. Electrical Safety
4. Cranes and Rigging
5. Excavations
6. Fall Protection
7. Fire Protection
8. Introduction to Cal-OSHA and the Federal OSH Act
9. Hand and Power Tools
10. Stairways and Ladders
11. Scaffolding

Health Care

\$13 per 60 – 90 minute course.

1. Back Injury Prevention
 2. Child Abuse Prevention
 3. Corporate Compliance
 4. Customer Service
 5. Fire Safety
 6. Infection Prevention
 7. Patient Rights and Confidentiality
 8. Preventing AIDS and Hepatitis B in the Workplace
 9. Radiation Safety
 10. Vulnerable Adult Care
 11. Working Safely with Hazardous Materials
 12. Workplace Violence in the Healthcare Industry
-

Course List

As of September 2009

OSHA – General Industry

\$20 per 60 – 90 minute course.

1. Introduction to OSHA and the OSH Act
2. Means of Egress & Fire Protection
3. Electrical Safety
4. Hazardous Materials
5. Industrial Hygiene
6. Hazard Communication
7. Personal Protective Equipment for General Industry
8. Machinery and Machine Guarding
9. Confined Spaces for General Industry
10. Welding, Cutting and Brazing for General Industry
11. Safety and Health Programs
12. Workplace Violence
13. Lockout/Tagout
14. Safety Orientation
15. Walking and Working Surfaces
16. OSHA – HAZWOPER
17. Materials Handling and Storage for General Industry
18. Bloodborne Pathogens
19. Ergonomics for Office Workers
20. Drug and Alcohol Abuse in the Workplace
21. Lead Safety in the Workplace
22. Hazards of Asbestos in the Workplace
23. Professional Response to Trauma
24. Building Security
25. Ergonomics for Non-Office Workers
26. Personal Response to Trauma
27. Beryllium and Cadmium Hazards in the Workplace
28. Use of Explosives in the Workplace
29. Lead Safety in the Workplace 1
30. Ionizing and Non-ionizing Radiation Safety 1

Electrical

1. NFPA 70E - Standard for Electrical Safety in the Workplace **\$49**

ISO/OHS

1. ISO 14000 **\$25**
2. OHSAS 18000 **\$25**

HACCP

1. HACCP Food Safety Employee Manual **\$50**
